

Visit MyMedicare.gov

Register at MyMedicare.gov to get your personalized Medicare information:

- Manage your personal information (like medical conditions, allergies, and implanted devices).
- Sign up to get your "Medicare Summary Notices" (eMSNs) and the "Medicare & You" handbook electronically. You won't get printed copies if you choose to get them electronically.
- Manage your personal drug list and pharmacy information.
- Search for, add to, and manage a list of your favorite providers and access quality information about them.
- Track Original Medicare claims and your Part B deductible status.

Use the “Blue Button”

Get access to your personal health information using Medicare’s Blue Button. This feature lets you download 12–36 months of claims information for Part A and Part B and 12 months of claims information for Part D. This information can help you make more informed decisions about your care and can give your health care providers a more complete view of your health history. Visit [MyMedicare.gov](https://www.medicare.gov) to use the Blue Button today.

Once you’ve used the Blue Button, there are a variety of health applications and services to analyze your health information. Visit bluebuttonconnector.healthit.gov to learn more about these useful tools and how to protect your health information once it’s in your hands.
